SENIOR CLASS TRIP

On May 13, 1979, forty-eight of Barr-Reeve's sixty-five newest graduates left for their class trip. Early Sunday morning they boarded two Indiana Motor Buses headed for Washington D.C. After arriving in the capitol city, they visited the Lincoln and Jefferson Memorials, the National Archives, the Capitol, White House, Arlington National Cemetery, Embassy Row and Kennedy Center.

By Wednesday the graduates were beginning the second half of their trip — New York City. The tour included such sites as Greenwich Village, World Trade Center, Chinatown, Empire State Building, Central Park, Rockefeller Center and the Statue of Liberty. The group also enjoyed an evening performance of "Grease."

The final stop of the trip was at Gettysburg National Military Park.

On May 19, the graduates arrived at Barr-Reeve High School and said their final farewells.

"Let's get on with it!"

"Hey, we're havin' some great time."

"Where are the chaperones?"

"I think we missed the bus."

"We're not getting on the bus. We've decided to stay."

Tim seriously tries to figure out how he can become a statue some day.

If our friends could see us now!

Sing us a song, Phyllis.

"Hey, Rita!"

"I'm tired."

"Let's ask Abe. He'll know."

"We miss our mommies!"

An alert chaperone.

Smile!

'Hi, Abe!'

Mr. Sluder and Jeff Norris.

"Washington D.C., here we come!"

"Indiana, here we come!"

Tim's hairdo drives women wild!

Miss Bod?!

Steve takes time out to pose.

SENIORS on the loose!!!

Janell, eating again.

Mr. Lemmon enjoys a day with the Seniors.

"Hey Lisa, give me a cup."

Rita appeals to the jury.

"Building a Winning Tradition"

It is not possible to speak of a winning tradition at Barr-Reeve without directing attention to the man most responsible for the competitiveness of B-R athletic teams, Coach Joe Todrank. Joe attributes whatever successes to the dedication and hard work of his coaching staff and athletes at Barr-Reeve. The face of dedication, determination, forcefulness, and drive of a winner are captured in these photos.

Coach Joe Todrank

"Builder of a Winning Tradition" Coaching History at B-R

Won-Lost Seasons — Years
120-74 1966-71 5
1975-79 4

If Coach Todrank had been told before the basketball season that his '78-'79 Viking team would win 16 ball games, win a second consecutive Blue Chip Conference Championship (7-1); finish the season as the Number One Team in Daviess, Martin, Pike, Knox, Dubois and Greene Counties (16-5); be ranked in the top ten teams and finish with the fifth best record of the 42 schools in Southwestern Indiana; defeat tough Pike Central (59-44), Springs Valley (79-61), and Bloomfield (54-51); and lose to state semi-finalist South Spencer () and Washington () in close well played games in their gyms; even the optimistic Coach Todrank might have to say "it's a long shot possibility." But tell him all this would come to pass and most of it without his top returning rebounder and scorer, Jim Craney; and he most certainly would have thought it all a fantastic dream. Looking back at the season from the vantage point of April, this is exactly what did take place from November to March. True Viking fans would have to say this was another banner year for the Varsity Vikings. There were really no "slip ups" this season. Agreed, the two losses to Loogootee (35-34 ot), (29-24); and the sectional loss to Pike Central were hard losses to accept. Viking losses were to teams who won 75% of their games on the average; none won fewer than 14 games. By whatever name they were called, "Todrank's Boys," "The Walton Gang," "The Craney Boys & Company," or "The Barr-Reeve Vikings," they were a GOOD TEAM in the WINNING TRADITION of Barr-Reeve.

1978 Barr-Reeve Vikings 1979

Blue Chip Conference Champions

"Two Years in a Row"

Mark, Jim, Stanley, Jim, Chris, Tony, Joe, Bret, Lynn, Steve, you gave us so many winning moments in the season just past. We appreciate your efforts and present these pictures as a reminder of your playing days.

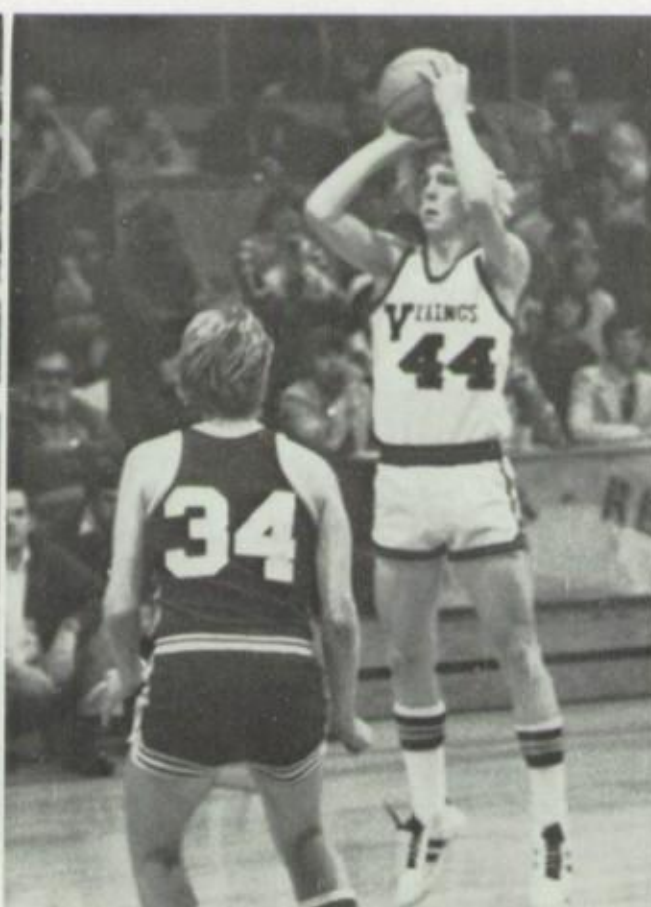

If there was a secret to Viking Success — it was DEFENSE. A team defensive average of 45.3 ppg. was the second best in all of Southwestern Indiana. Here Jim, Chris, Joe and Stanley put the defensive pressure on this Mitchell ball handler

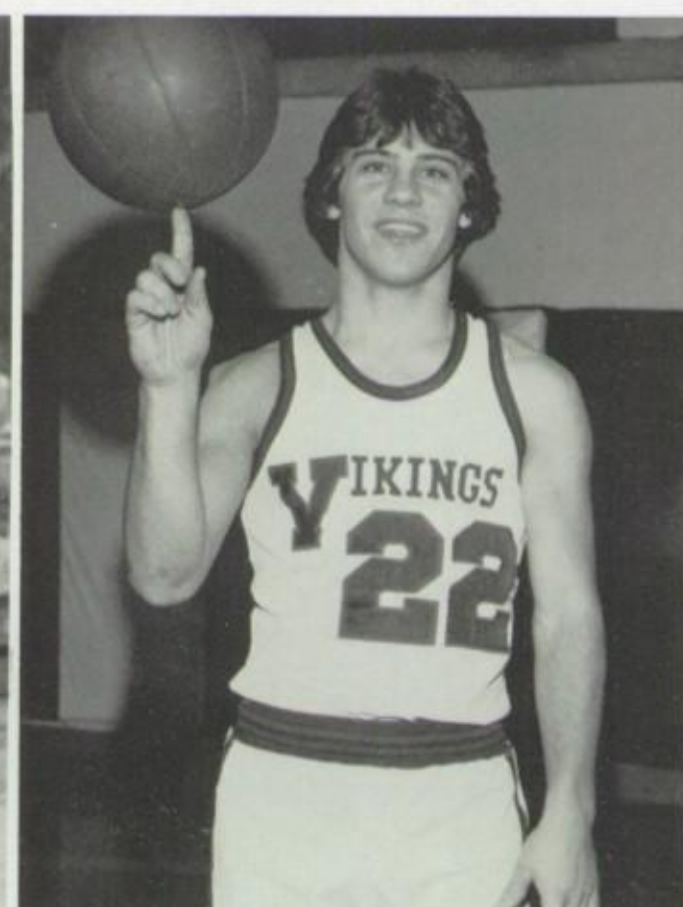

The scoreboard tells it all — Jim Kidwell was Mr. Cool in this pressure packed moment — against Bloomfield — Jim connected on both free throws to help seal the most exciting comeback victory of the season.

Mark Walton takes aim from the corner in holiday tourney action. Mark's big game of 31 points was against North Daviess. His 13.4 ppg. and overall team leadership proved too much for Viking opponents.

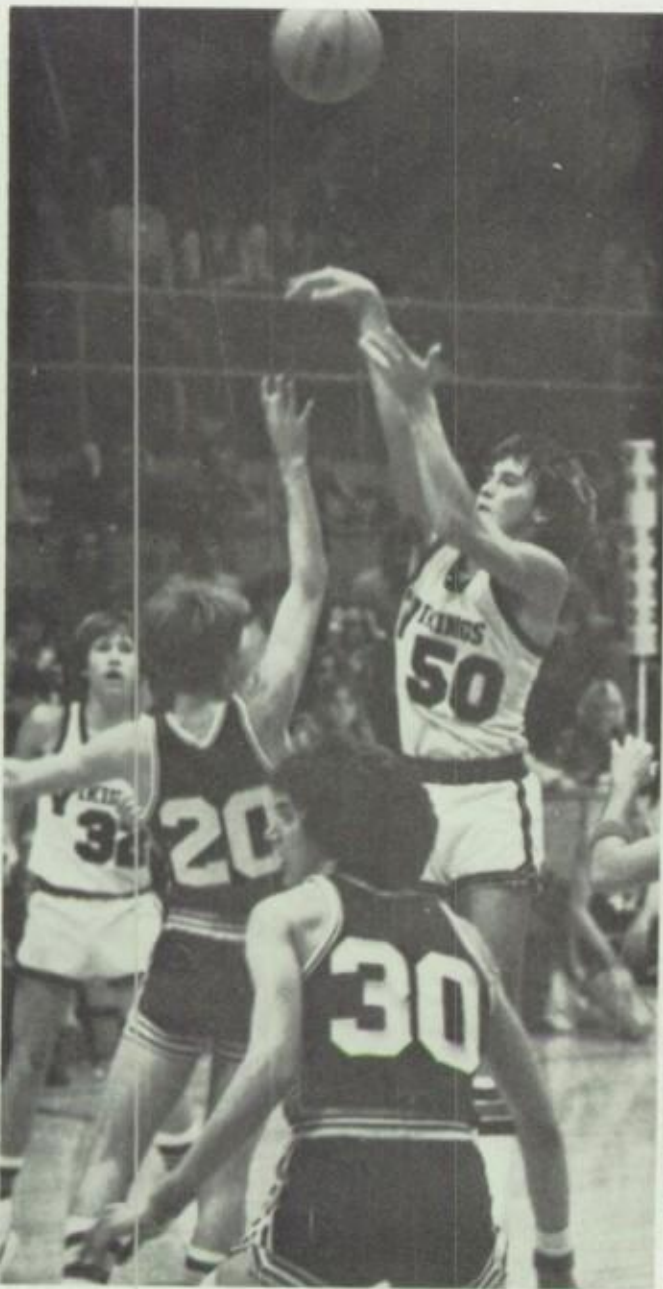

Jim Craney in his finest hour against Pike Central. Jim turned in a 25 point and 13 rebound performance to lead the Vikings to a 59-44 upset of the Chargers.

Tony Murphy insists this was his best action shot of the season — seriously Tony proved to be a valuable backup man for the team. His pressure free throws against Bloomfield nailed down the victory.

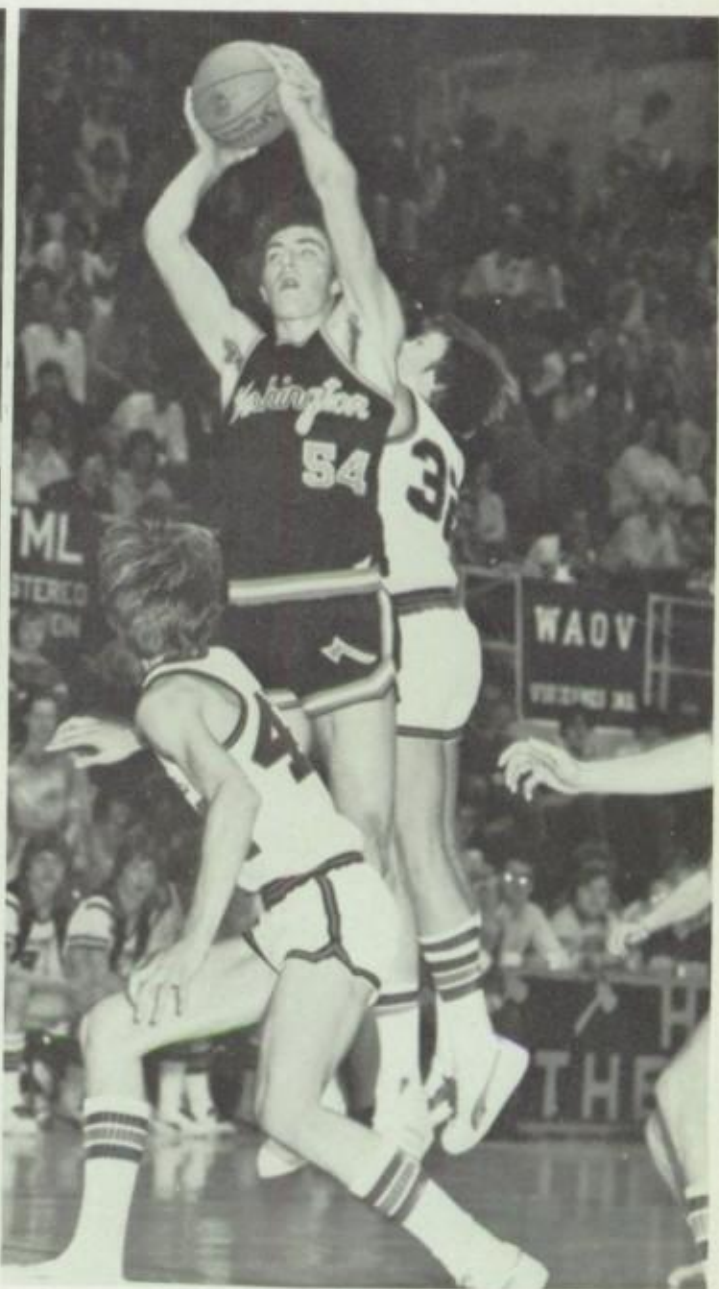

"Continuing a Winning Tradition"

Stanley Stoll puts up a shot over Pike Central's Tim Barrett in early season play. Stanley's big game of the season was 20 points against North Knox (65-53).

Chris Craney was both the team leading rebounder (7.5 pg.) and team scorer (13.8ppg). Here Chris shows his intense rebounding form against Hatchet's Craig McAtee in tourney play.

Viking defense was one of the best but trying to contain Indiana's "Mr. Basketball" Steve Bouchie was a little too much. Mark blocked this shot but "Bo" still managed 19 points, 8 below his average. Chris and Stan block out for the rebound.

Stanley Stoll rips off a rebound against Pike Central in Sectional play. He averaged 7 rebs. pg. Stan's forte was defense. His willingness to take the charging foul earned him the seldom given, "Outstanding Defensive Man Award."

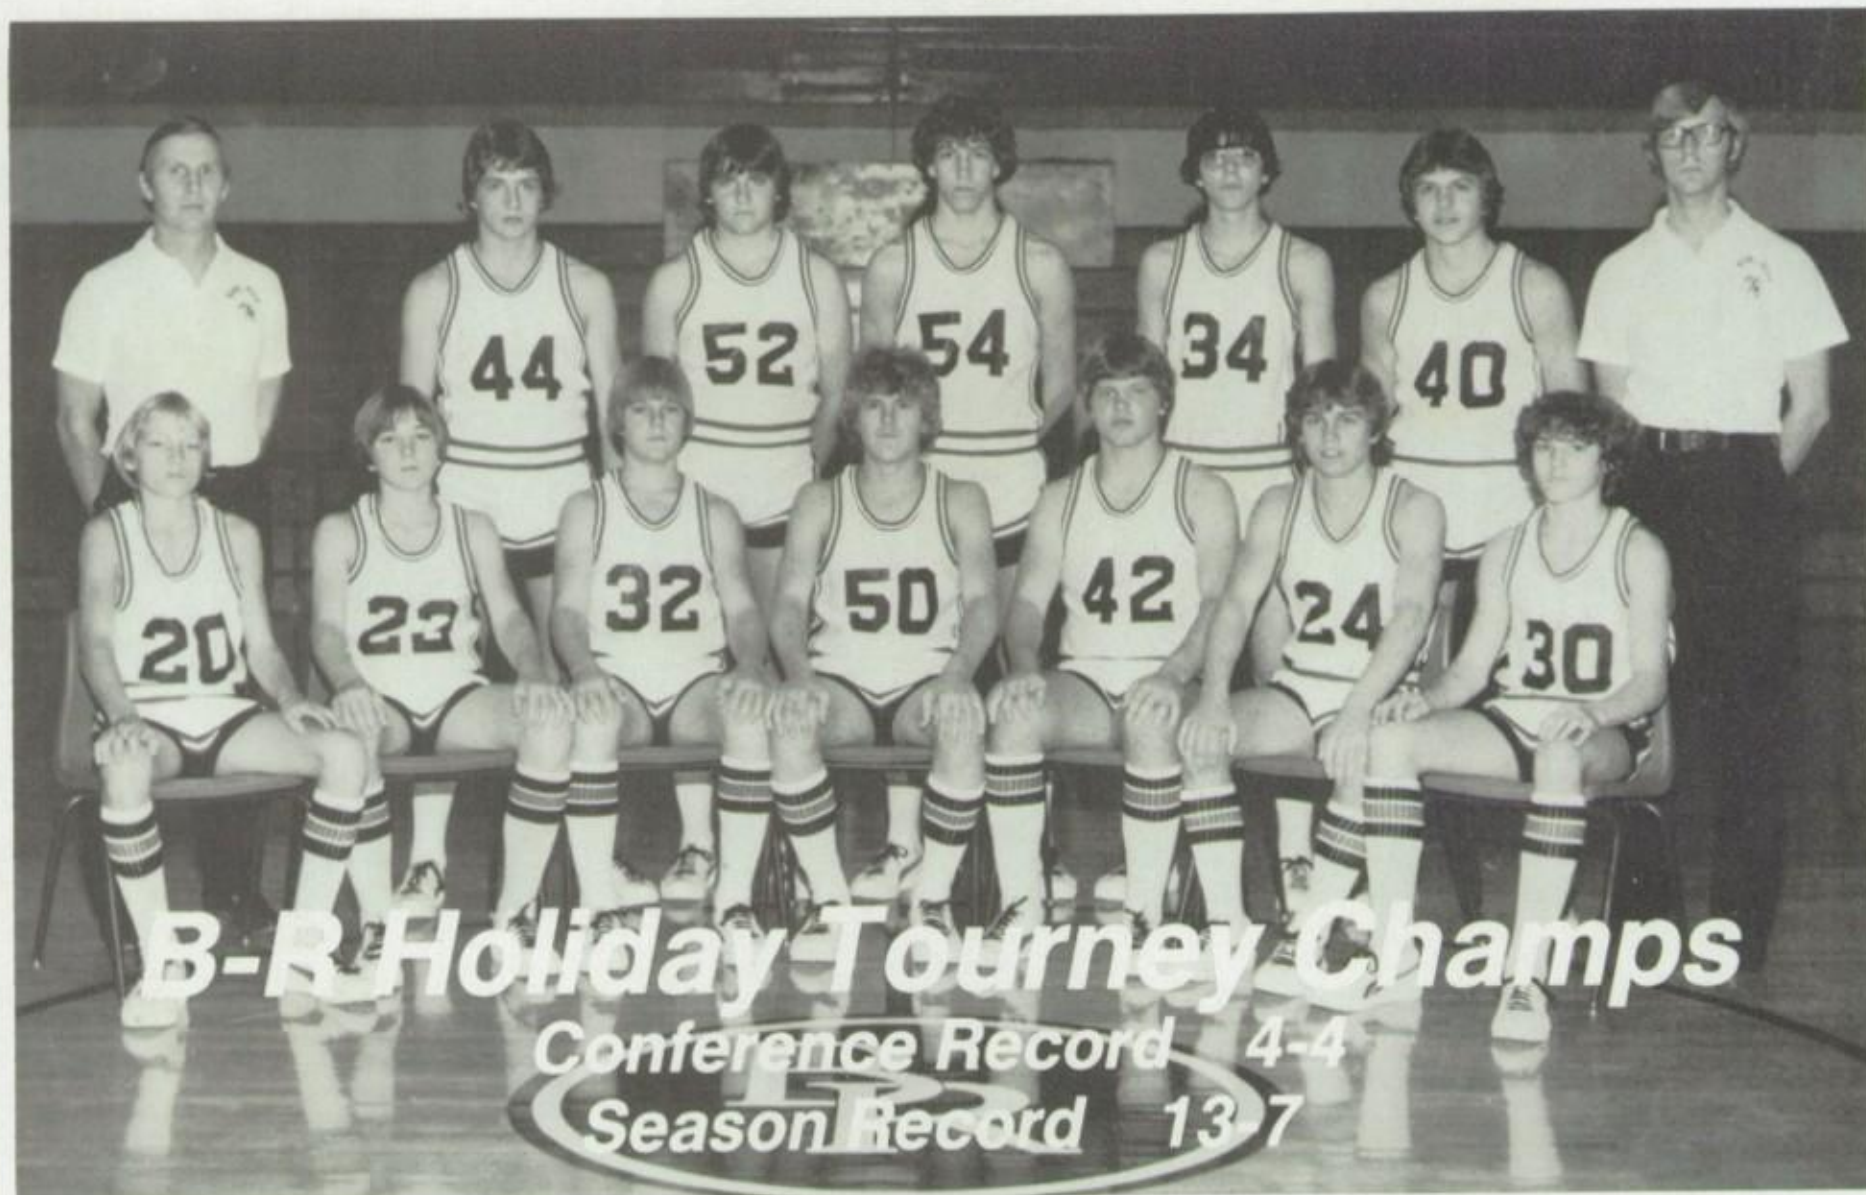

"Mr. Basketball", Steve Bouchie had to play Chris Craney tight to hold the classey lefty in holiday tourney play. Chris' biggest scoring effort of the year was 31 points at Wood Memorial. Chris is expected to be the team leader next year.

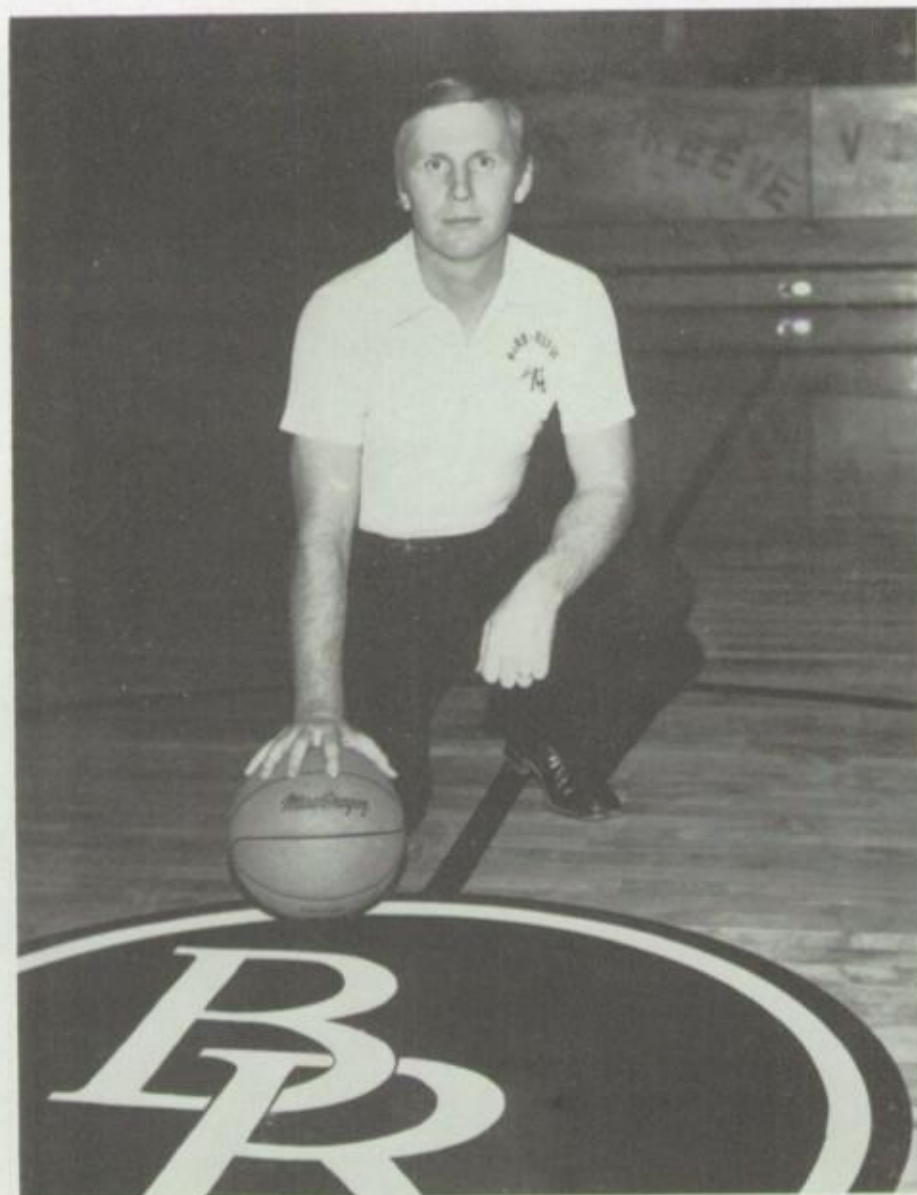

Jim's expression says it all. — the other half of his senior year. A broken ankle in an early January practice session ended his basketball career. The loss of Jim's offensive punch and rebounding severely dimmed Viking sectional hopes.

Season Record 13-7

Conference Record 4-4

A 13-7 record needs no apology but it is less than mid-season prospects when a key varsity injury began to cut deep into the J.V. ranks. It was a fourth consecutive winning year for Coach Lemmon: 16-4 in 1976; 18-2 in 1977; 15-5 in 1978. His overall J.V. record at Barr-Reeve is 87-33.

"Junior Varsity Contributes in a Big Way"

Joe Colvin and Mark Walton close in on Tim Barrett of Pike Central in tense sectional play. Joe was a regular on the J.V. and saw limited varsity action. Mark Walton was team co-captain.

Bret Graber puts defensive pressure on B. Briscoe of PC in sectional action. Bret divided playing time between starting roles on the J.V. and varsity. He figures to be an important part of the 1979-80 edition of the Vikings.

Lynn Stoll (31) battle a PC Charger as teammates Stanley Stoll and Joe Colvin look on. Lynn's big game was a 16 point off the bench performance against Eastern Green in a winning effort (64-49). Lynn is a key to Viking hopes in the coming two seasons.

Joe Cummings puts up two in a winning effort against Mitchell defenders. Joe became a varsity starter late in the season. His biggest offensive effort of the season was 15 points against Wash. Cath.

The S.B. Boys, Steve Bullock and Steve Bouchie square off in holiday tourney play. Only a freshman, Steve saw considerable action on three teams and with three years remaining could be varsity man all the way. Quickness, speed and ball handling are his main assets.

In spite of a very fine year for the Vikings, it did have its down moments as Joe Cummings found out. Tony Murphy appears to be a little surprised by the call on this play. Action is against Mitchell.

Coach — Joe Rademacher

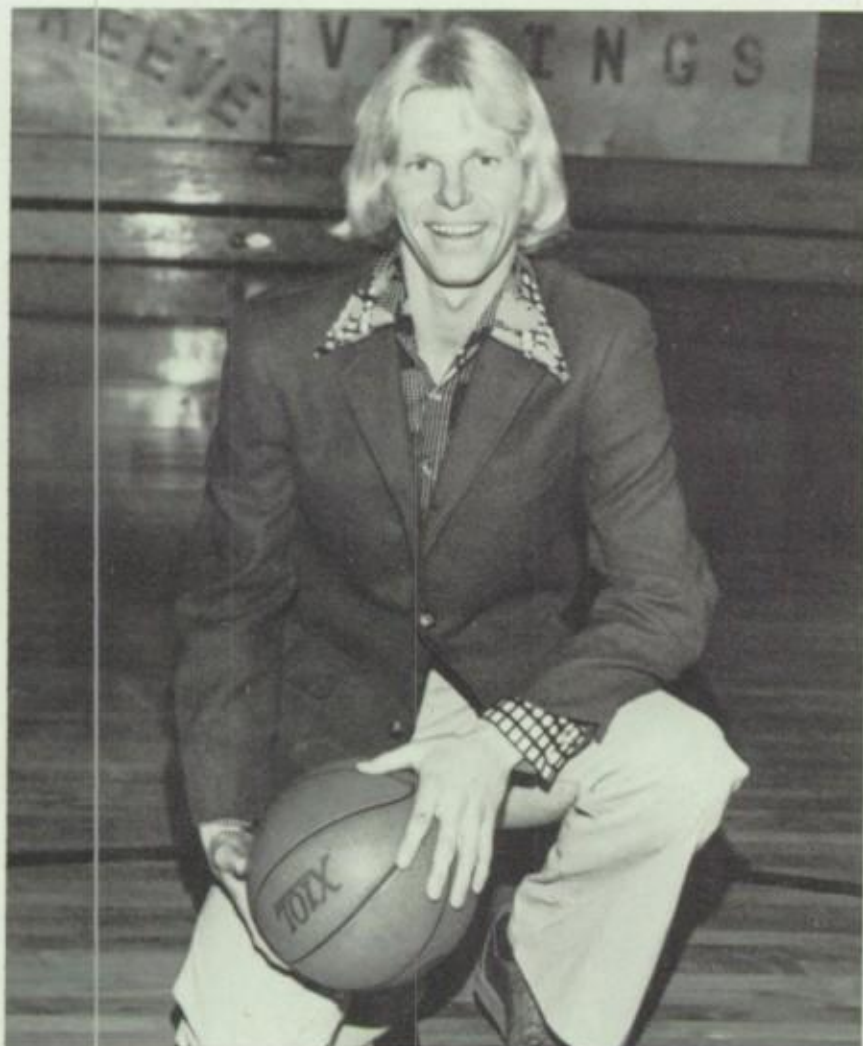

**Head Baseball Coach
Freshman Basketball
Varsity Basketball Scout**

A 1976 Graduate of Evansville University, Coach Rademacher is in his third year at Barr-Reeve. He has given a winning image to B-R baseball which had not known winning ways prior to his coming. His contributions as Freshman Coach are to be judged by the success of B-R Varsity and Jr. Varsity teams. Coach Todrank relies heavily on the scouting reports he brings back on opponents. If scouting has anything to do with winning then it appears you have done a very commendable job these past three years — Coach Rademacher.

Coach — Mike Sluder

**Eighth Grade Basketball Coach
Varsity Cross-Country Coach**

Mike Sluder has been a coach at B-R for the past six years. A 1972 graduate of ISU, Coach Sluder is an avid cross-country runner himself. He has been able to put together big winners in both cross country and eighth grade basketball teams.

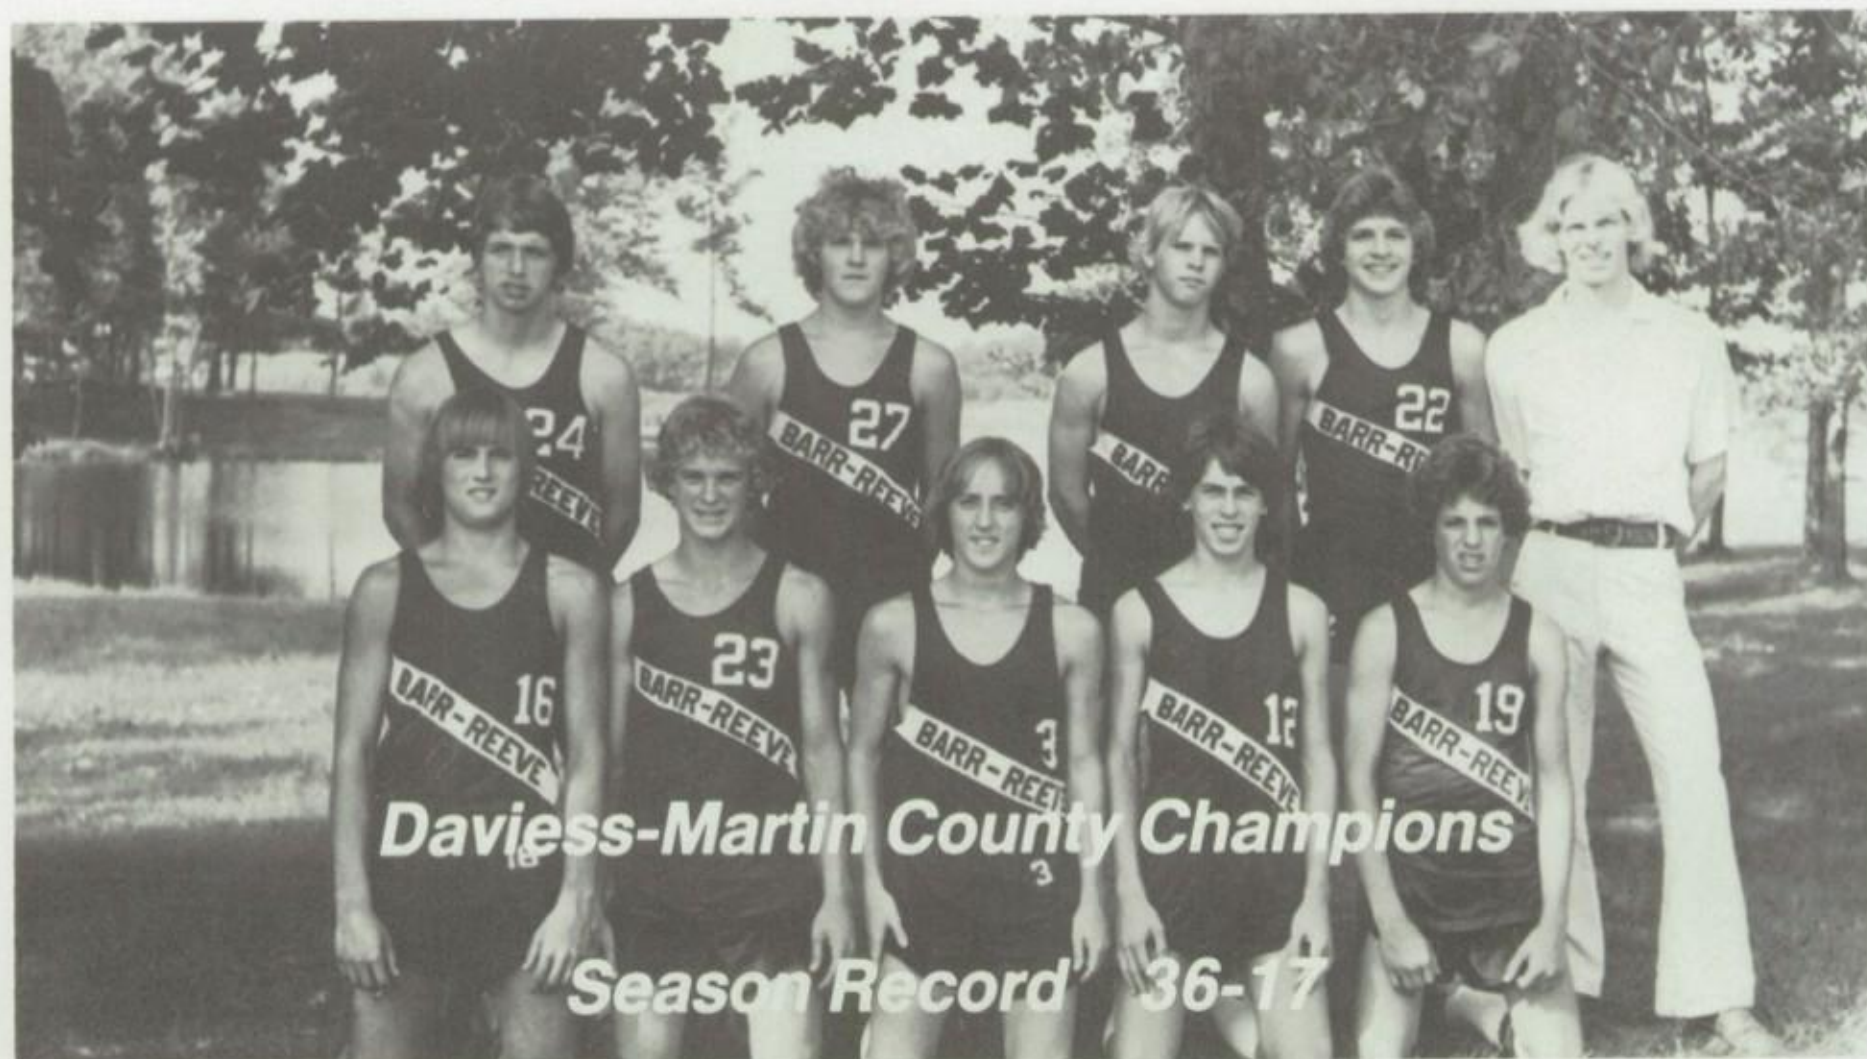

Coach — Jerry Mangin

**Seventh Grade Basketball Coach
Jr. High Cross Country Coach**

Ever since there has been a Barr-Reeve, (1965) there has been Coach Jerry Mangin. His teams have varied from Grade Five thru Eighth Grade and sometimes at the same time. He has put together consistent winners as 130-79 record over 12 years indicates.

As a sophomore, Lynn was the first Viking runner across the finish line in every race. His claim to All-Conference was an eighth place finish in the conference meet.

Jim Kidwell

ALL BLUE CHIP CONFERENCE

An All Conference runner in 1977, Jim was a strong and consistent finisher again this year. He finished 12th in the conference meet.

Stanley Stoll

Stan never realized his dream of All Conference but he was "Mr. Consistency." He placed in every Viking Meet during his three years of varsity running. His best conference finishes were 12th in 1976-77 and 15th in 1978-79.

Viking Netmen Enjoy Big Season

Mark Walton — MVP
All Conference

Mark was all everything for the Viking netmen. He was the top No. 1 singles player in the conference as he was undefeated.

Scott Graber — Jeff Norris
All Conference Doubles

Giving Strong support to the Viking team effort was the doubles team of Scott Graber and Jeff Norris.

Bret Graber
No. 2 Singles

Bret was a consistent performer and had good enough credentials to be all-conference but came up short — Maybe in 79 Bret.

Basketball Blue Chip All Conference Winners

This athletic section of the yearbook would not be complete without a salute to these five athletes who have been playing together on B-R basketball, baseball, golf, tennis, cross-country, and track teams ever since the fifth grade. No class of athletes in Barr-Reeve athletic history have contributed so much to the overall "winning tradition" in B-R Athletics as this group of senior athletes. Known as "the Viking Fabulous Five" in basketball, they have contributed either directly or indirectly to the following basketball records from fifth grade thru varsity play:

Fifth Grade	16-1
Sixth Grade	15-5
Seventh Grade	15-2
Eighth Grade	14-2
Freshmen	7-7
Junior Varsity '75-'78	49-11
Varsity '76-'79	62-22
Totals	178-50

Realizing that these winning records were compiled despite injuries, consistently taller competition and larger schools, the record is even more impressive. Two consecutive varsity basketball Blue Chip Conference Championships (1978 and 1979); a Junior Varsity Blue Chip Conference Championship in 1978; and tourney championships in the eighth grade, seventh grade and sixth grade testify to their "winning tradition." Each of these athletes lettered in two or more varsity sports each year and participated in still other sports. As individuals and as a team, these seniors are nor an important part of the "winning tradition" at Barr-Reeve.

Mark Walton

Two time All-Blue Chip Conference, First Team All Sectional, Second Team Evansville Sunday Courier All Area, Number 10 on list of All Time Barr-Reeve Scorers. "The best all around player I have had in 16 years of coaching," says Coach Joe Todrank. A classy person on and off the playing floor.

Chris Craney

Chris was named all conference in his first full year of varsity play — a feat which is no small accomplishment. He averaged 14.6 ppg. in conference play and 13.8 ppg. for the season. Good luck Chris in your senior year.

Jim Craney

Officially Jim was not named to the all conference team. A broken ankle at a practice session ended his high school athletic career. He was the team's leading scorer at the time. This mention is little consolation Jim, but it might help.

Track Team

Kneeling L-R: Scott Graber, P. J. Craney, Vaughn Graber, Shawn Baker, Randy Butcher. Back Row L-R: Coach Mike Sluder, Lynn Stoll, Adrian O'Connor, Jim Kidwell, Jeff Harrawood, Joe Colvin, Joe Cummings, Richard Woods and Coach Joe McDonald.

Stoll, Cummings Lead Viking Track Team

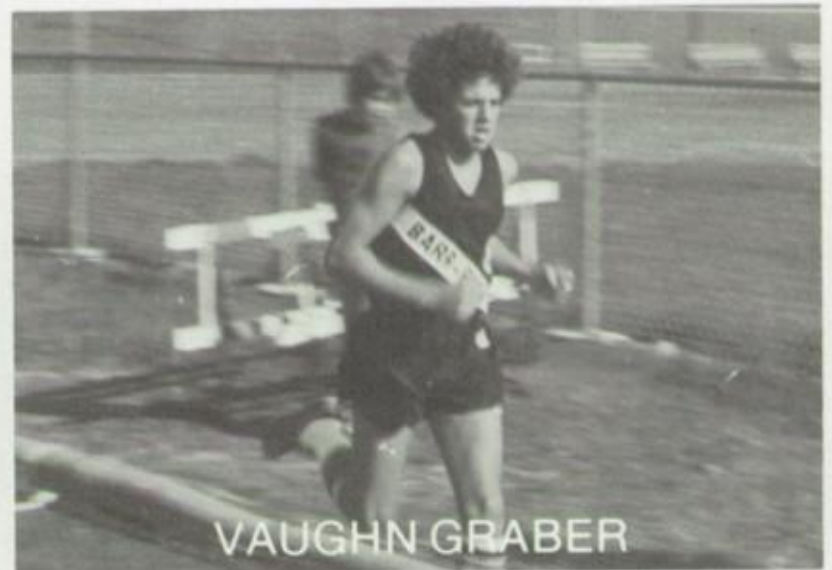

LYNN STOLL

Lynn was named MVP for the track team. A very dedicated athlete, his specialties were the 880 yd run, the mile run and mile relay team. His best time in the 880 was 2:10 in the Conference Meet. He was the top point getter on the team.

JOE CUMMINGS

Joe was runner up in total points for the track season. His specialties were the 100 and 220 yd. dashes, the high jump and mile relay team. His best time in the 100 was a 10:7 in the Conference Meet.

VAUGHN GRABER

A consistent runner, Vaughn runs the distance runs in both track and cross country. He ran the mile and was on the Freshman Relay Team.

RICHARD WOODS

Pole Vaulting is Richard's speciality. He managed several points in meets.

Donna Knepp covers for Rita Truelove as she executes a nice forearm pass. Sectional action against Washington.

With hands high above the net, Jean readies a block as Mary Ann provides coverage in Sectional play.

Karen Edwards hits a powerful spike over the Hatchets' double block.

Kim Bauer shows good follow through as she completes a forearm pass.

"Farewell to a Senior Team"

A 24 and 12 won-lost record over two years is a good record for most volleyball teams but somewhat disappointing for this team. They played with the best and beat the best but too often in crucial tournament play they snatched defeat from the jaws of victory.

Helen Edwards displays good concentration on her pass while Karen is ready to help out.

Donna Knepp uses a forearm pass to put the ball into play.

Cindy Showalter gets ready to set the spiker against W.C.

Theresa Williams displays skill in net play. Helen Edwards readies for a return volley.

Second year coach, Jeff Sherfield, describes the 1978-1979 season as a "good year but not a great season." A record of 12-5 is certainly not a record to apologize over but it did fall short of expectations for the Lady Vikes. A loss to South Knox (32-30) cost a Conference Championship; and a 45-42 setback to eventual sectional winner Bedford-North Lawrence, dashed dreams of a second consecutive sectional crown for the Lady Vikes. A Holiday Tourney Championship over Washington was the season highlight.

Coach — Jeff Sherfield

1978 Barr-Reeve Lady Vikings 1979 in Action

The Lady Vikings are fast building a "winning tradition" of their own. A Sectional Winner and Regional Finalist in 1978, the Lady Vikes had to settle for a Holiday Tourney Championship, a strong sectional showing to sectional champs Bedford-North Lawrence (45-42) and an elusive conference championship to South Knox (32-30) for a very respectable 12 wins and 5 loss season.

A very familiar shooting form at B-R is that displayed by all-conference guard Anita Showalter. Anita led the Lady Vikes in scoring with a 13.9 ppg. average as a sophomore. This is sectional action against Bedford — N. Lawrence.

Rita Truelove, a team co-captain, powers her way inside for this shot. Rita was the second leading rebounder with 113. She has been a two year starter.

Donna Knepp puts up a power jumper from underneath in Sectional action. Donna was the team's top rebounder with (146) and led field goal shooting with 47% (58-124).

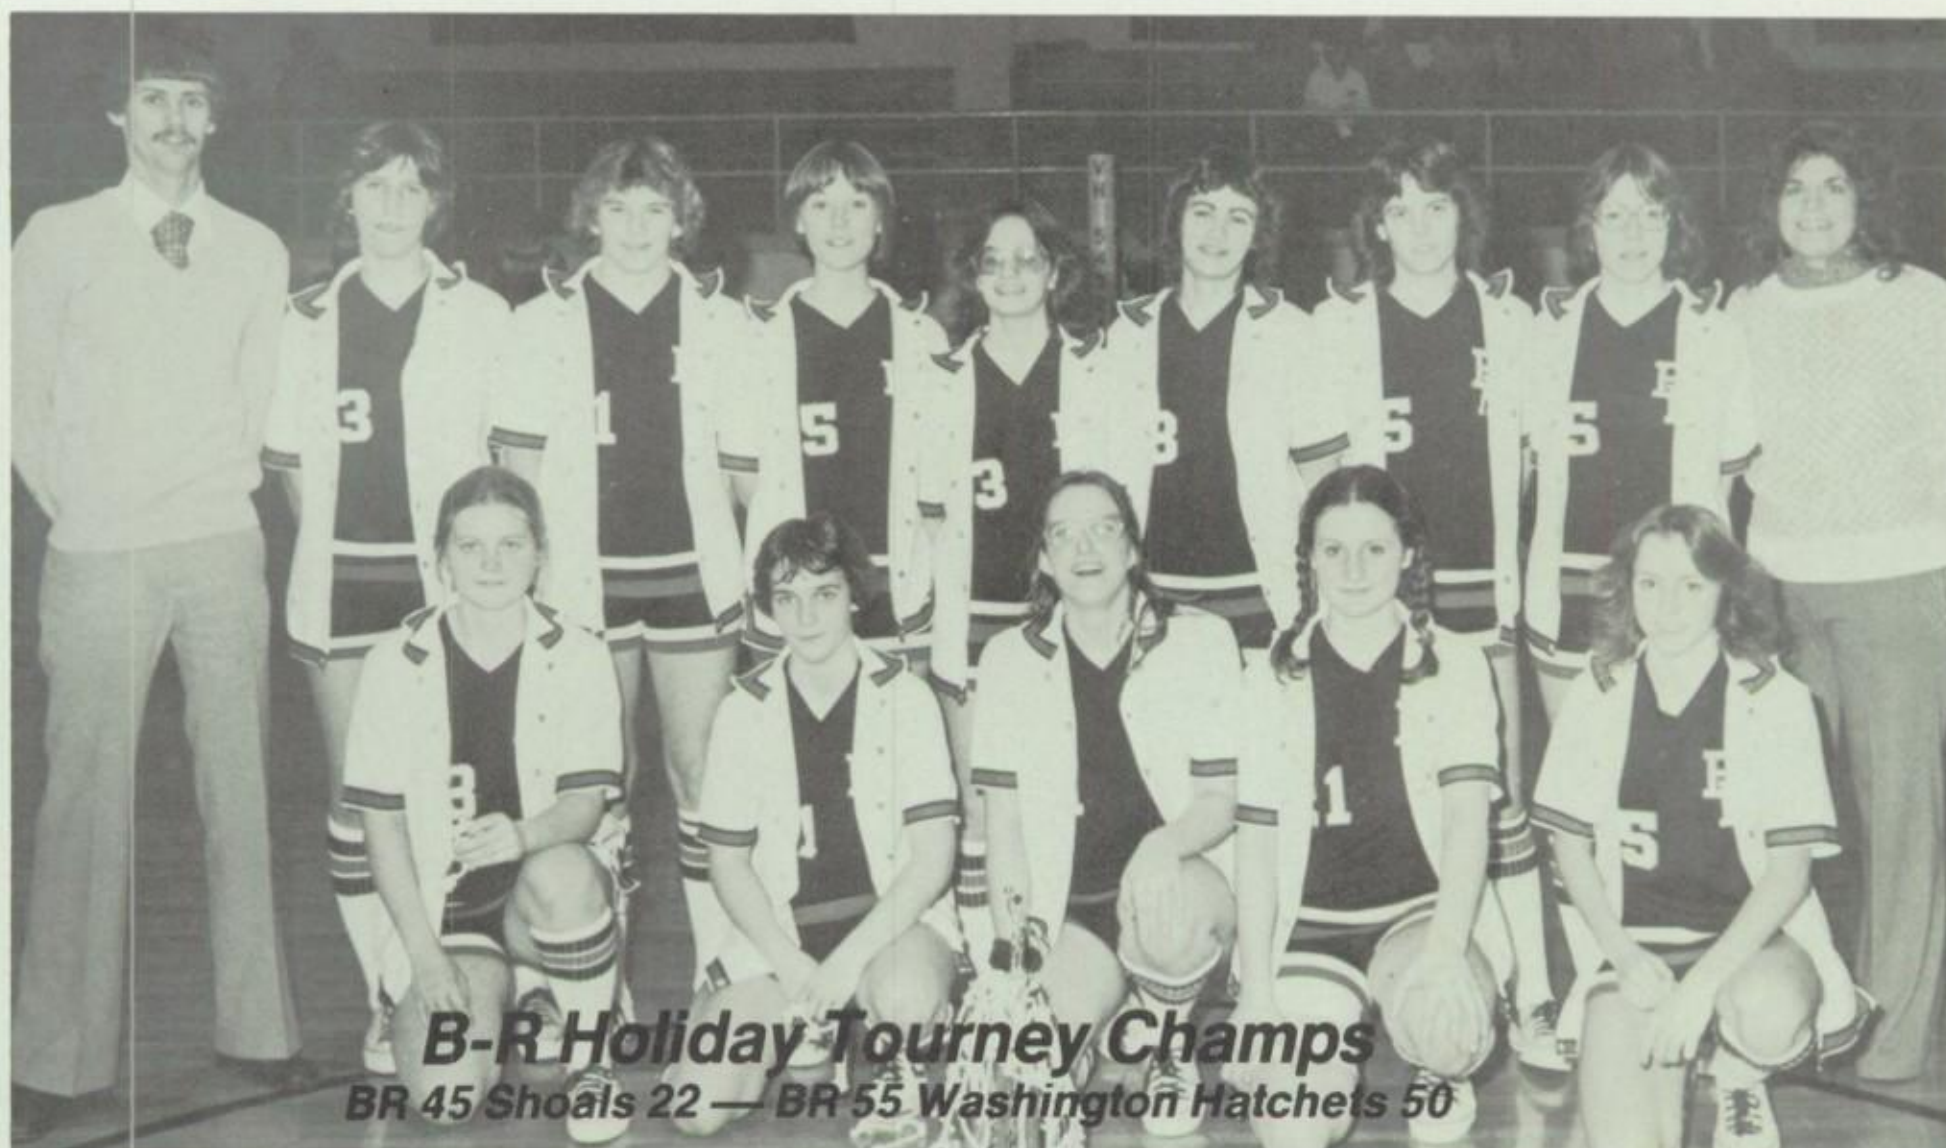

Wanda Knepp was a starter on the varsity all season averaging nearly 10 ppg. With three years remaining, Wanda is expected to contribute much to the winning tradition of the Lady Vikes. Outside shooting and ball handling are her specialties.

When it comes to speed and quickness on the basketball court, Jean Campbell was the best of the Lady Vikes. A two year varsity starter at forward, Jean battles a much taller North Star in sectional play.

Karen Edwards played a valuable role for her team. An early season starter at center, her role changed to first sub off the bench as the season rolled on. Karen lettered two years on the varsity.

Without a doubt, the finest hour for the lady Vikes this season was defeating the Washington Hatchets in the championship game of the B-R Holiday Tourney. (55-50). The win also avenged an early season loss to the Hatchets. The game was applauded by Viking fans as one of the best ever for a B-R Lady Viking team. Anita Showalter, Wanda Knepp and Jean Campbell teamed up for 24, 10 and 10 points respectively to lead the Viking attack. The viking gals hit for 27 of 54 shots with several of those shots from long range.

Showalter, Knepp Gain All-Conference Honors

A two year varsity starter and still only a sophomore. Anita in addition to being named all-conference was voted team Most Valuable Player. She led the team in scoring averaging 13.5 ppg. and leading the team in assists with 58. Ball handling and shooting from long range are her specialties.

It was Donna's last chance for an all-conference recognition and so it was a special satisfaction for her. A standout in both basketball and volleyball, Donna led the Lady Vikes in Free Throws Shooting, (41-78); Field Goal Shooting, (58-124); and was the team leading rebounder with a 146 total. Always a steady performer, Donna was a two year varsity starter.

When it comes to a hard working, dedicated coach, Miss Linda Parsons has to be at or near the top. Linda coaches five teams in the Girls Sports Program at B-R. Her job is especially challenging since she has to teach the fundamentals of both volleyball and basketball to girls who are playing on organized teams for the first time.

Miss Parsons received her B.S. and Masters Degrees in Elementary Education from Indiana State. She returned to her Alma Mater in 1971 and has been teaching and coaching at Barr-Reeve for the past eight years. Linda points with pride to her teams especially her 8th Grade Basketball Team which is 14-0 after two seasons.

Top Lady Tennis Players

In their second year as a varsity team, the Viking Ladies managed to be a competitive team — losing the close ones cost a winning season.

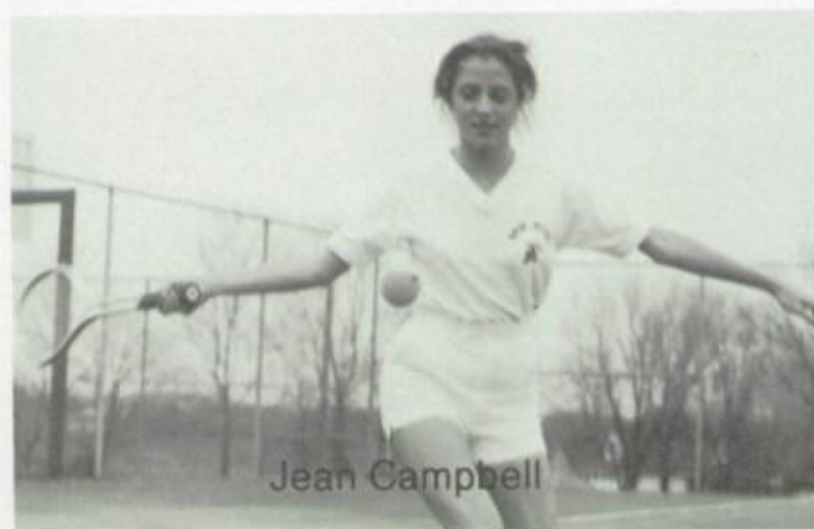

Carolyn Hart

Carolyn was voted the team's Most Valuable Player by her teammates. She was a winner six times on the No. 2 doubles team.

Anita Showalter

Anita was the No. 1 seeded player of the team. In that position she had to face the best of the opposition. She is a sophomore with two big years remaining.

Jean Campbell

Jean played as the No. 2 seeded player all season. She was the most versatile of B-R lady athletes as she was a strong performer in all four varsity sports.

Cindy Luebke

Anita Duncheon

Cindy and Anita were seniors on the team and played as members of the doubles teams.

Barr-Reeve is known for winning basketball teams; but Barr-Reeve Cheerleaders are equally well known for their enthusiasm, precision formations and good looks. The leadership of these five senior cheerleaders in the halls, at pep sessions and during games has helped to build the great spirit of Barr-Reeve. You will be missed girls.

A Salute to Our Cheerleaders

To be a cheerleader at Barr-Reeve may appear to be the "in thing to do." However, like most that look exciting and glamorous — there is another side of the story.

Barr-Reeve Cheerleaders for all teams spend long hours practicing their formations and refining their yells so that they are "all together" at game time.

For the past several summers, B-R Cheerleaders have attended a special workshop for high school cheerleaders held at Vincennes University. This past summer, the workshop was held in July and was attended by all B-R Cheerleaders which included varsity, B-Team, freshmen and eighth grade.

The Barr-Reeve squad of cheerleaders won several blue ribbons for excellences and twice won the "spirit stick" awarded daily to the squad demonstrating the most enthusiasm and cheerleading skill. Two summers in a row, the Viking squad has brought home the most coveted of summer camp awards — "the spirit stick of the week" awarded on the last day of camp. These awards and ribbons are proudly displayed in the Viking trophy case.

It takes much individual sacrifice, patience, cooperation, team work, and a willingness to work to be a B-R Cheerleader. Its been a great combination, "a winning group of cheerleaders" for a "winning basketball program."

Varsity Student Managers

Scott Joe Roger

L-R: Scott Graber, Joe Luebke and Roger Williams were the Varsity Boys Basketball Student Managers this year who gave so much of their time and themselves to keep things in the athletic department running first class. If a good secretary makes the boss look good, these student managers made their coaches happy with their dedication and hard work. Barr-Reeve was a better place because of them.

Cindy Luebke

Carmen Wittmer

Cindy was the volleyball student manager and shared the role of girls' varsity basketball student manager with sophomore Carmen Wittmer. Many kindly words can be spoken of both Cindy and Carmen who spent long hours of unselfish service to girls' varsity sports.

Doyles Thornless Blackberry
Guaranteed to Grow If Planted on My Plastic

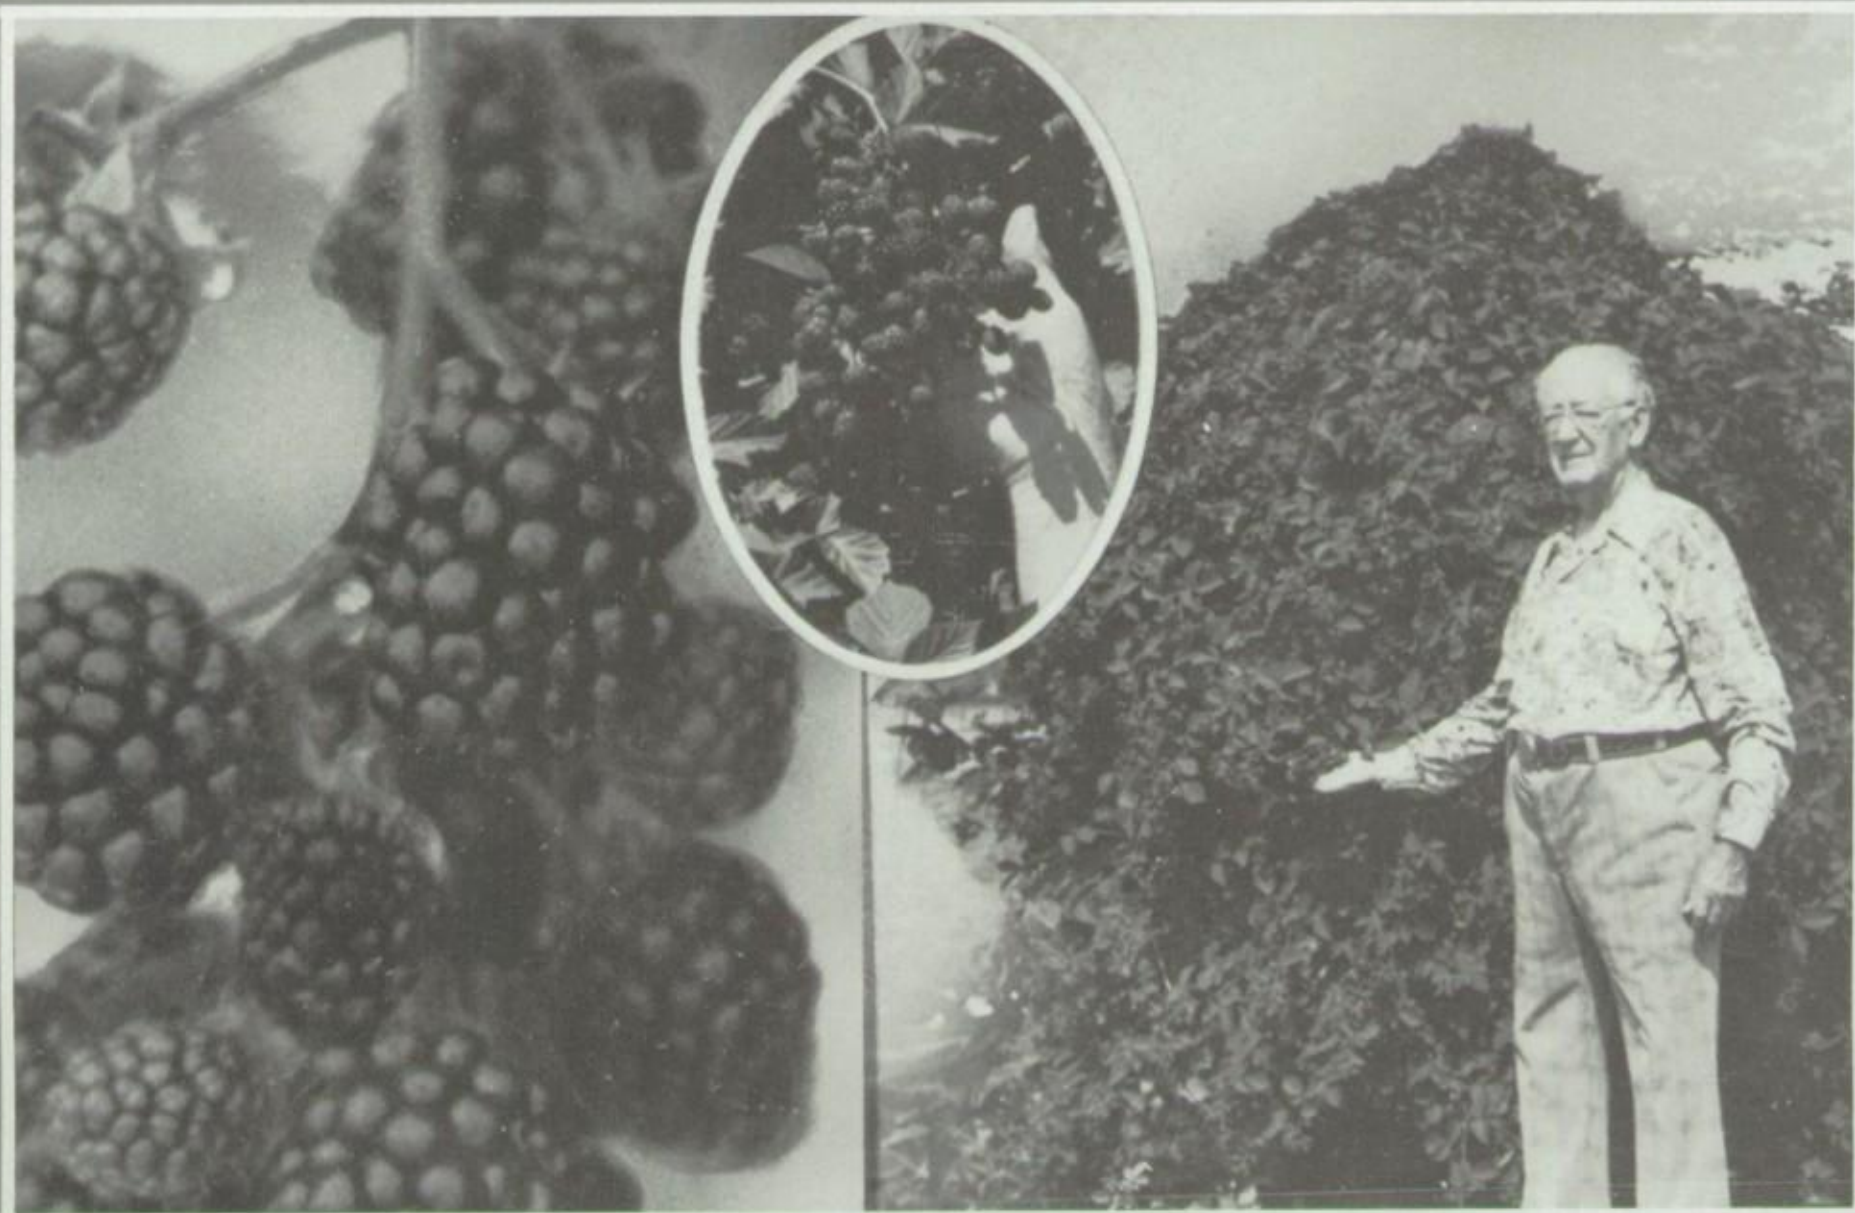

This four year old thornless blackberry plant produced more than twenty gallons of big delicious berries this year. Last year it produced about ten gallons and the year before about five gallons. The life of a blackberry plant is about fifteen to twenty years. The blackberry plant is grown on toxic free plastic and requires no watering or any fertilizer. The first ripe berry was on July 4th and the last picking was two quarts on August 26th. A picking season of fifty two days. The best way to get berries for a family supply is to plant FOUR THORNLESS BLACKBERRY PLANTS on a piece of toxic free plastic 20 ft. by 20 ft. You can plant low growing plants on this same plastic and it does not interfere with the berries. Four plants and 20 ft. by 20 ft. plastic is \$70.00 at garden site, add \$4.00 for prepaid Parcel Post. You never take up the plastic, it will last several years. You save breaking the ground and fertilizer and much less work.

THE RED CARPET TRAVEL SERVICE

Your Tour Guide for The Senior Class Trip — 1979

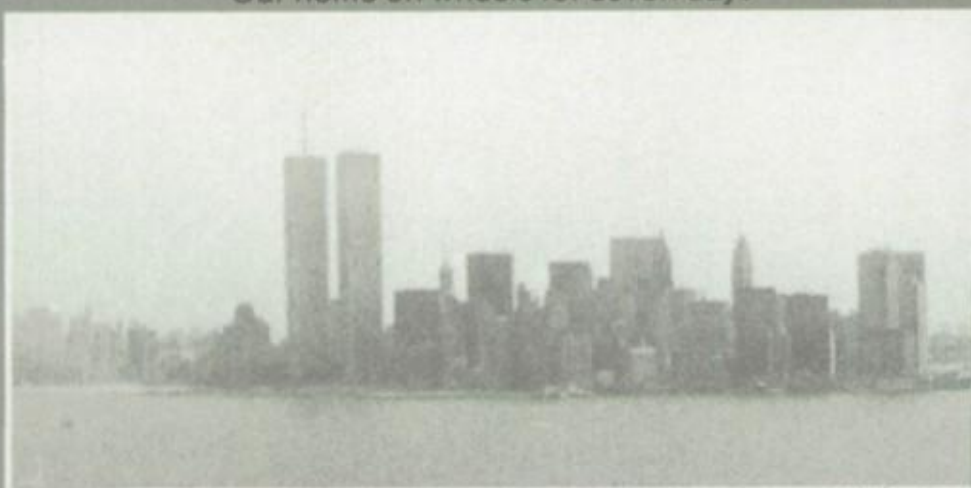

Phone 254-0812

3-D Shopping Plaza

Our Senior Class Trip, an event we had talked about for so many years and planned for so many months was here for a few fleeting days but now only the memories remain. Most of us agreed it was all we hoped it would be; the buses were excellent, the drivers, Bill and Ron were better yet and Mavis Huff our escort of Forlow Tours did a great job also. The weather was great, the hotels were first class and we saw all we went to see and some even more than that. There were fifty-one of us including sponsors who have memories and pictures of this once in a life time trip to remind us of the Class Trip of 1979.

"Our home on wheels for seven days"

"The Big Apple" (New York City) from atop the Statue of Liberty.

Visiting a Buddhist Temple in Chinatown captures the attention.

"Mark and Tim pause on their way to visit the Capitol."

One last picture before we leave the Capitol.

Greg, Rick, Steve and Randy in study hall.

Carolyn and Chris were elected Student Council President and Vice-President. Joe, Scott and Jeff were worthy opponents.

Janet and Lisa run for band sweetheart.

Donna, Karen and Anita "defend" the Coaches' office.

"Tradition or a bad joke?"

Seniors in first period study hall — Mary Ann, Janella, Cindy, Tim, Janell, Cindy and Stan give a good morning smile as they take a "short" rest break. Dennis and Sherri look on. It was the last day for the seniors; a good reason to smile.

WABASH COFFEE

P.O. Box 4
Vincennes, Indiana

The WABASH COFFEE COMPANY of Vincennes, Indiana is happy to be a booster of the 1979 Barr-Reeve Yearbook. We of the Yearbook Staff wish to thank the management of Wabash Coffee for their generous financial support in helping to keep the cost of this yearbook within our means. Being one of the last pages of the yearbook, it seemed the opportune time for the last time to pass along the recognition and thanks to those students and faculty who have given so much of their time in putting the content of this yearbook together.

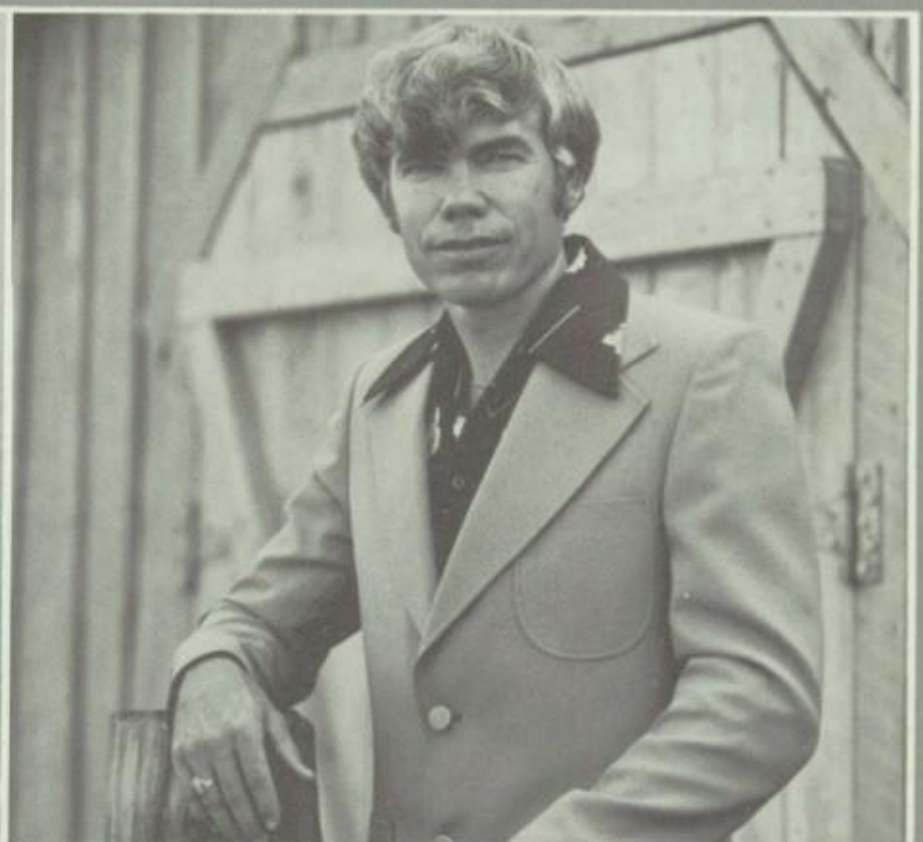

Yearbook Staff

Seated L-R: Faculty Advisor Misha Engleman, Jean Campbell, Cindy Luebke, Jan Campbell, Becky Bradley. Second Row, L-R: Lisa Nolley, Rita Truelove, Theresa Williams, Cindy Showalter, Joe Patterson. Back Row, L-R: Sharon Jacobs, Janet O'Connor, Tony Murphy and Yearbook Editor Steve Toy. Special thanks to Mrs. Engleman, Steve Toy, Tony Murphy, Jean and Jan Campbell, Lisa Nolley, Joe Patterson and Cindy Luebke who stayed with the yearbook project until the final pages were completed. Joe Bean was the Student Photographer who contributed many excellent photos used in this book.

Dana (Graber) Stoll and Tony Murphy look over outlines of a class project. Tony was Yearbook Ad Sales Chairman this year and directed a very successful campaign which grossed over \$4,850.00 in ad sales. He was a faithful helper in all phases of yearbook preparation and salesmanship.

Mr. Charles A. Kavanaugh has been a faculty advisor on the yearbook staff for the past four years and seven of his seventeen years at B-R. He specializes in Ad Section Sales and preparation and Sports Section preparation and information.
